

## OSHA Recordable Incidence Rates, 1993 - 2011

### Wise Services has consistently performed quality work in a safe manner.

- OSHA Recordable Incident Rate has always been below the BLS Average.
- Experienced only one lost time accident in 19 years and over 2.4 million man-hours.
- Worked over 1.5 million safe man-hours before experiencing our only lost time injury. Since, have worked 1 million man-hours without a lost time injury.
- Competent, degreed and certified safety leadership.
- Awards
  - Fluor Tri-Star
  - Ohio BWC (various recognition awards)
  - Fluor Fernald, 1 million Safe Man Hours
  - MOX Project, 8 million safe man-hours (contributor)
